

11 ALL TERRAIN VEHICLE (ATV) COMPETITION

- 11.1 These rules are supplementary to the Manual of Motorcycle Sport.
 - 11.1.1 These rules apply to four wheeled competition.
 - 11.1.2 ATVs may compete in all types of events provided that the course has been laid out with due consideration for the machines and does not encroach onto public roads.
- 11.2 Construction/Technical
 - 11.2.1 All ATVs used in MNZ sanctioned events must be constructed such that the rider sits astride a motorcycle type frame and controls the machine using a handlebar, and has a motorcycle engine and a maximum dry weight of 350kgs.
 - 11.2.2 All head and tail lights must be removed or securely taped.
 - 11.2.3 All non standard fittings that may be of a dangerous nature must be removed.
 - 11.2.4 Brakes are essential in all types of competition including speedway type events.
 - 11.2.5 All machines will be fitted with an operational tether kill switch. The tether kill switch must not be fitted in such a way that it may be overridden, and must be securely attached to the rider.
 - 11.2.6 Regulation size number plates shall be fitted for lap scoring. In addition to the normal front vertically mounted plate, a second plate mounted vertically and central to the rear wheels facing to the rear shall be fitted. No dayglo numbers or number board backgrounds are permitted.
 - 11.2.7 Under no circumstances shall the forks protrude above the cross bar of the handle bar.
 - 11.2.8 Maximum width of an ATV will be 1350mm.
 - 11.2.9 Nerf bars – Nerf Bars are mandatory for Motocross, Speedway and Miniature TT events and are recommended for all other events. If these are fitted then the webs must also be fitted such that it is not possible to step inside the nerf bar.
 - 11.2.10 No anti roll bars shall be fitted (Anti roll over bar).
 - 11.2.11 Fuel – See 10.17.1
- 11.3 Conduct of Competition.

- 11.3.1 Except in the following circumstances, juniors and seniors shall not compete or practice together for Motocross, Speedway or Miniature TT. The circumstances where juniors and seniors may compete or practice together are as follows:
- Juniors at club days. At club days with up to four juniors over 12 years of age present, these riders can ride with Senior B grade riders provided that the Steward of the Meeting considers that this can be done safely. If there are more than four junior riders over 12 then a separate race is to be held.
- From age 15, women in any all women class
From age 12, at any club day
At any event that MNZ may from time to time approve, such approval, and any conditions of approval to be noted on the event permit.
- Competing or practicing with seniors in such circumstances will not affect the junior rider's status.
- A Junior cannot compete in both junior and senior competition on the same day. If the steward considers that a junior rider is not competent enough to ride in senior competition (s)he may direct that rider to return to junior competition.
- 11.3.1b New competitors shall ride at three (3) compulsory practices prior to taking part in Open Competition & Speedway Competition, under the guidance of a mentor to be provided by the organising club.
- 11.3.2 At club day's senior classes are optional.
- 11.4 Additional Rules that apply to championships only.
- 11.4.1 The following titles are available for annual competition in each senior capacity:
NZ ATV Motocross Championship
NZ ATV Speedway Championship
NI ATV Motocross Championship
SI ATV Motocross Championship
These championship events are to be competed for in a calendar year.
- 11.4.2 Championship capacity classes: see Appendix D
One Bike/Rider combination
Competitors must nominate the class for bike and rider. The top 10 riders of the Premier 439cc-450cc class will use their numbers from results of the previous season.
- 11.4.2.1 SUPERQUAD
1500mm maximum width
750cc multi cylinder 4 stroke and above.
Motorcycle motor.
- 11.4.3 Each class will be run if six entries are received at entry closing time.

- 11.4.4 Should minimum entries not be received then the organisers may combine like performance classes for racing but championship points can only be taken by machines eligible for the particular championship class.
- 11.4.5 NZ ATV Motocross championships will be completed over a minimum of one round and maximum of three rounds. Early rounds will host 5 races per class at a one day event. The final round will have 7 races per class over two days. All races will count towards the title. Final round is compulsory. For NZ ATV Speedway titles a full field, rotating grid will be used so that each rider has at least one front row start.
- 11.4.6 Start areas for MX championships must provide for single row starts with a minimum of 30cm between machines, measured from wheel to wheel.
- 11.4.7 No carriers are permitted on machines in championship events.
- 11.4.8 The maximum number of ATV starters at a Speedway event is 12 per race, at the discretion of the Steward. This number may be reduced if necessary.
- 11.5 250cc Production Class (Junior ATV)
Modifications limited to; maximum width front and rear 1250mm
- 11.5.1 Aftermarket air filter allowed however OEM air box lid must be fitted at all times.
- 11.5.2 250cc Production Class open to riders from 10 years having competed in prior championship event with approval of Club, ATV Commissioner and Safety Commissioner.
- 11.5.3
